

Dear Purdance Adult Dancers and Supporters,

As some of you may be aware, the Purdance Adult Program has been temporarily shut down as of September 1, 2020.

Since the Shelter-In-Place orders on March 16, 2020 due to COVID-19, Purdance has been impacted immensely and has faced financial challenges with continuing to offer online classes. Due to the prolonged quarantine, saturated markets, fires, and other unforeseen circumstances have led to a significant loss to the business, despite the incredible generosity of our donors. With a heavy heart, we have decided to temporarily suspend operation of the adult program until we can ensure the safety and health of our adult dancers.

We would like to thank those who have donated during this unequalled time. Without your support, we would not have made it this far. We are focused on the positive, and strive to rebuild one step at a time to reach a return to stability and consistency for our dancers, artists and teachers of all ages. Our top priority continues to be overcoming the current state of affairs, and creating positive outlooks for our future together.

If there is a credit remaining on your account, we respectfully ask for donation to the studio so we can continue to march through this challenging time. You may also request a credit towards future classes when we are able to reopen the adult program.

Email and Newsletter: Please follow us on social media to have the most current information

### Class Credits
